Name : Lakshmi Swarupa
Software Quality Analyst
Sabka technologies pvt ltd.
Email: lakshmiswarupa1993@gmail.com
Contact : 9491723530, 9010699033.

OBJECTIVE

Looking for an innovative and challenging software development and testing environment, which can fully utilize my capabilities and to be dynamic software professional working systematically, building good logics to be globally competitive following the perfect principle of time and quality techniques.

SUMMARY

Software Quality Analyst with 2 years of hands-on experience **in Web based** applications testing in Agile. Proven relationship building skills with software engineers, QA engineers, and external teams In-depth knowledge of project documentation especially preparing complex test plans & design test cases. Excel at participating in efficient, results driven projects.

SKILLS

- **Manual testing**   : **Test case design, Test Execution, Bug Tracking and Reporting**
- **Test Management tool** : **Jira**
- **Operating systems**   : **MS Windows**
- **Data base**   : **My SQL**

WORK EXPERIENCE

Sabka technologies pvt ltd.

Software Quality Analyst

AUG 2020– till Present

- ❖ Overall 2.0 years of experience in **Manual Testing, Functional Testing.**
- ❖ Involving in **functional testing, black box testing, Regression testing, Sanity testing, Re-Testing.**
- ❖ Coordinating and communicating with BA team for better understanding of functional **requirements for developing quality test cases**.
- ❖ Evaluated, troubleshoot and tested the software repeatedly in order to detect all errors and bugs and recommend bug fixes.
- ❖ Experience in **Agile (Scrum) Methodology**.
- ❖ Developing **test strategies, test plans, and test cases and user stories** for software development efforts and SQA strategies using agile testing methodology.
- ❖ Involving in the design and implementation of enhancements and customization.
- ❖ **Executing the test cases and documenting the results, reporting the defects and tracking the status.**

- ❖ Have good hands-on **manual testing, in depth knowledge of QA processes, strong testing fundamentals and Test cases preparation.**

- ❖ Able to use all web methods like GET, PUT, POST, DELETE, etc in Postman tool.

- ❖ Strong in **Testing methodology, test framework design** experience.

- ❖ Understanding of **QA methodologies, life cycle and processes**.

- ❖ Basic knowledge on JAVA, OOPS Concept, Collections, Exceptions Handling, String, POM, Testing Annotations, Assertions.

- ❖ Partnered with the Operations Project Managers to review testing plans, testing progress, results, and next steps.

- ❖ Prepared **Traceability matrix** to map use case and Test Case.

- ❖ Performed other duties as deemed relevant, based on experience.

- ❖ Reviewed the technical documentation and maintained the knowledge about software releases.

- ❖ **Identify, Record and Track defects.**

- ❖ Generate Test Data and execute **Functional and Regression Testing**

- ❖ Understand the functionality being developed and create comprehensive and well-structured test specifications and use cases that will exercise the functionality.

- ❖ Gained a strong understanding of the **SDLC, STLC**

- ❖ Preparation **of test cases with Respect to Business Requirements, Preparation of Test Plans**.

PRJECT SUMMARY

PROJECT I

PROJECT TITLE	**: CFD and Forex Trading**
Domain	**: Investment Banking**
Tech Skill	**: Manual testing and JIRA**

Roles

- ❖ Responsible for test plan design and test case development by SRS. Implement test plan, tracking default, and complete test report.

- ❖ Documents test results, manage, and maintains defect and test case databases to assist in the continuous improvement and modification of software.

- ❖ Responsible for providing requirements and **specifications** for the **automation of test cases**.

- ❖ Responsible for manual test, submit test report.

- ❖ Good communication skills. Ability to independently analyze business requirements, participated in requirements **review and refine test points.**

- ❖ Automated functional tests whenever required

- ❖ Manual testing, focus on utilizing expertise in business knowledge and **system functionality** via exploratory testing in order to find defects outside of the main use cases.

- ❖ Map business and technical requirements into test **cases and/or test scripts**

- ❖ Data analysis, data verification, and problem-solving abilities.

- ❖ Reporting team/project metrics.
- ❖ Experience to Comfortably run and read automated test scripts, prioritization of use cases to be scripted, contribute to code reviews, write medium-high complexity test scripts independently.

PROJECT II

PROJECT TITLE   **: Billing and Payment System**
DOMAIN   **: Telecom**
Tech Skills   **: Manual testing, My SQL**

Roles

- ❖ Execute the test cases to validate customer requirements.
- ❖ Retesting on fixed Bug's and **performed Regression Testing.**
- ❖ Created testing artifacts such as test plans, test cases, test reports, and tests.
- ❖ Good communication skills. Ability to independently analyze **business requirements**, participated in requirements review and refine test points.
- ❖ Reporting team/project metrics.
- ❖ Data analysis, data verification, and problem-solving abilities.

PROJECT III

PROJECT TITLE   **: Agri Basket**
DOMAIN   **: E- Commerce**
Skills   **: Manual testing, SQL**

- ❖ Understanding the Requirements clearly and completely.
- ❖ Following Agile (Scrum Methodology).
- ❖ Identification of Test Scenarios.
- ❖ Designing test cases according to the Functional specifications.
- ❖ Executing Test Cases according to the functional specifications
- ❖ Regression testing was performed after each new build of the application.
- ❖ Analysing Result, Generating Details and Reporting Defects by using JIRA tool and MS-Excel.
- ❖ Active participation in daily scrum Meetings.

ACADEMIC

- ❖ M.B.A (HR&Marketing) from Nova college of Engineering and Technology, Vijayawada, (affiliated to JNTU-K) 2012-2014
- ❖ Bachelor in Science (M.P.C) from Sir CR Reddy College for Women, Eluru, (affiliated to Andhra university) 2009-2012

PERSONAL DETAILS

Name	:Lakshmi Swarupa Tokala
Father's Name	:Nageswararao
DOB	: 25-05-1993
Address	: 401, B block , Subham residency, Behind CMR high school, Gajularamaram, Hyd 500055, Telangana

DECLARATION:

I hereby confirm that the facts stated in this application are true to the best of my knowledge.

PLACE : Hyderabad   **Regards**
